

**Security Bank of Kansas City understands the concerns you may have regarding  
your personal information due to the Equifax Breach**

On September 7, 2017, the consumer credit reporting bureau, Equifax, announced a major data breach within their systems affecting as many as 143 million people. Reports indicate that the breach took place between mid-May 2017 and July 2017. The stolen data included names, Social Security numbers, birth dates, addresses, driver's license numbers, and credit card data.

**Equifax has a website to determine whether you have been affected: [www.equifaxsecurity2017.com](http://www.equifaxsecurity2017.com) Click the "Potential Impact" button. From there, you will be able to determine if you have been impacted.**

**You can also call (866) 447-7559. The call center is open every day from 6:00 a.m. to midnight (Central Time).**

Equifax is offering a free year of identity theft protection and credit monitoring. If you wish to accept it, please carefully review their terms.

For additional information about the Equifax Breach, please visit the Federal Trade Commission's website at:
